

Greetings from California Assemblymember Paul Fong

August 14, 2010

Congratulations to the Northern California Chinese Athletic Federation on the Eight Annual Northern California All Chinese-American Olympics! Your mission to unite Chinese Americans through participation in sports continues to benefit our communities by allowing citizens of all ages to share in this experience. This event celebrates eight years of continued success in bringing together Chinese athletic organizations throughout Northern California. Since 2003, the NCCAF has been a living showcase of Chinese cultural activities, and has granted Californians the opportunity to appreciate the spirit and uniqueness of Chinese culture. Please do keep in touch with my office and let me know if I can be of any help in the future.

Congratulations and best wishes for continued success.

Sincerely,

Paul Fong
